Important changes to the Child Tax Credit will help many families get advance payments of the Child Tax Credit starting in the summer of 2021.

Half the total credit amount will be paid in advance monthly payments and you will claim the other half when you file your 2021 Income tax return. We'll issue the first advance payment on July 15, 2021. For a full schedule of payments, see [When will the IRS begin issuing the advance Child Tax Credit?](#)
